

Grounds Maintenance Operative

Role Overview

As a Grounds Maintenance Operative, you will be working as part of a team to deliver a wide range of high-quality landscape maintenance and improvement works. This will involve undertaking direct site-based maintenance works as part of a cyclical grounds' maintenance rota.

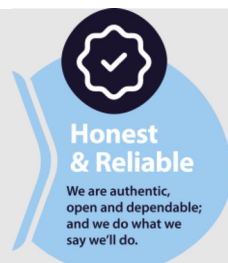

You will use your previous experience to deliver grounds maintenance to Your Housing Group's customers, ensuring the highest standards of quality, safety and customer care at all times.

This post is subject to a Basic DBS check.

RESPONSIBILITIES

- Undertaking grounds maintenance and horticultural related tasks on Estates and Schemes to YHG specifications and agreed timescales.
- Carrying out grass cutting, shrub pruning, weed control and removing litter, as per the specification along with responsive ad-hoc estate work as required e.g. fly tip removal as required.
- To conduct high-quality landscape maintenance and improvement works to plans and schedules, as instructed by Supervisor and management team.
- Ensure that all reporting and recording procedures are followed; records are kept accurately and returned promptly as required.
- Ensure all machinery, tools and equipment are maintained in good and safe working order.
- Ensure all work sites are maintained to a high safety standard for staff, customers and the general public and that all works undertaken are in accordance with risk assessments and Fix360 policies and procedures.
